Pahio is trying

Best things about resort

The 2 bedroom unit was very spacious. Parking was close. You are close to the lodge staying at this resort. Free internet!

Best attractions or restaurants nearby

The whole Princeville area is very beautiful.

Review

The unit needs updating but all in all it served it's purpose. We ate a lot of meals in the unit & out on the lani. I would definately stay here again if I got a two bedroom. They are huge.

Don't waste your points

Best things about resort

I really didn't have a good experience here

Review

I would not waste my points again on this resort. The whole feeling of it is that it is old, the units are crowded together and the chickens are a real nuisance. They start crowing at 1:00 in the morning and this goes on for the whole stay. Our room was not cleaned at all, although we were provided with clean towels. I should say that the beds were changed but that is all. I was immediately hit upon to buy a time share which is how I got there to begin with. I would not stay there again. I would recommend staying somewhere around Koloa to be more centrally located.

PAHIO IS SIMPLY THE BEST

Date: January 8, 2008

Best things about resort

Pahio Phase III - 2bdrm, absolutely loved it! Had a separate jacuzzi from the shower in both bathrooms. Very clean! Loved the kitchen w/ a Jenn-Air for grilling your favorite Hawaiian feasts! The lanai was a wrap-around private w/lounges & dining table to enjoy eating breakfasts outside. Free Internet. Maid service once a week. Washer & Dryer in unit. Provided clean large aqua beach towels. Front-desk very helpful & kept us very pleased; even gave us Kauai cookies upon departure; as well as an Aloha welcome basket!

Best attractions or restaurants nearby

Dolphin Bay Restaurant nearby great food. Also Bubba Burgers down the hill w/ a great shave ice hut next door. Nearby Foodland grocery store had yummy mango ice cream to take home to your freezer. The Guava Kai Plantation is undergoing renovation; should reopen shortly, they also had Guave Ice Cream that was so yummy!

Review

Pahio Phase III is upscale, deserves Gold Crown Rating! Bali Hai beach is nearby; recommend a car to fully enjoy the Island; be sure the checkout Princeville Resort nearby; they also have a public sandy beach to also enjoy! Pahio is a warm Aloha spirit where you can simply enjoy your own private Hawaiian Paradise vacation! Highly Recommended! Will always return; very happy owners for over 10 years! Aloha!

It would be difficult to recommend this resort... particularly the studio unit. It's very small. Although we do not spend a lot of time in our room, there was limited space to relax and for suitcases. (I actually placed mine in the bathtub to get it out of the way.) The resort is getting old and is "tired" and worn looking. Could really use some updating. We had just come from a week at the Marriott Maui (Ka'anapali Beach), so it probably wasn't a fair comparison. However, we would not be returning to this resort.
