CONSTRUCTION *Update*

The Grand Solmar Resort continues its spectacular rise from the golden sands of Lands End.

A year ago, we laid the corner stone of our most ambitious and luxurious project, The Grand Solmar Land's End Resort. While we have had our challenges during construction of this beautiful development, but these will not stop our deepest commitments to our guests as they are our priority. We will continue to provide the highest quality hospitality standards with the intent to exceed your expectations during this phase of construction. With that said, we want to share with you the current status of construction of The Grand Solmar.

Many of you have already seen the artist renderings of our vision. These photos prove we are making our vision a reality.
